## Bronze Plaque Presented

### Introduction of County System Commemorated

Commemorating an important milestone in the history of local municipal government, Hon. A. J. Hooke, Minister of Municipal Affairs in the provincial government, on Monday evening presented to J. E. Carlson, chairman of the council of the County of Vulcan, a bronze plaque honoring the introduction of the county system in Alberta.

Although Grande Prairie is the home of County No. 1, the County of Vulcan No. 2 came into existence at the same time, Jan. 1, 1951, to be one of the first two counties formed in Alberta to try out this system of municipal government. At the end of the experimental four-year period, ratepayers of the County voted to retain this system of government and the County of Vulcan No. 2 came into permanent being. Members of the council of the Municipal District of Vulcan who took the major step in applying for formation of a County in this area were J. E. Carlson, chairman; C. W. Loose, Allan McLean, Daniel McNiven and Norman Scotney and the attractive bronze plaque carries their names along with that of D. D. McQueen, secretary-treasurer.

Present from Edmonton for the ceremony, which took place following a banquet held Monday evening, June 4, in the Dobbs Hotel and catered to by the United Church W.A., were Mr. Hooke; A. W. Morrison, Deputy Minister of Municipal Affairs; J. W. Judge, former Deputy Minister; Bruce Ramsay, Chief Municipal Inspector (administrator of the County when it was first formed); J. E. Miller of the Field Service Branch, Department of Municipal Affairs; W. E. Frame, Chief Superintendent of Schools, Department of Education and Blake McKenzie, Liaison Officer, Department of Municipal Affairs.

J. E. Carlson was chairman for the evening and introduced those seated at the head table, all of whom spoke briefly. Hon. Peter Dawson of Carmangay, Speaker of the House and MLA for Little Bow, recalled that he had approved the introduction of the county system in this area and congratulated the county councillors for doing an outstanding job. Daniel McNiven, former councillor who moved the original motion that the county system be instituted here, was introduced and spoke briefly.

W. E. Frame, Chief Superintendent of Schools, stated that "the answer to problems arising from friction between school division boards and municipal councils is the County." There had been no trouble of this kind in any County in Alberta and all county committees appeared to work in harmony with each other.

Secretary-Treasurer D. D. McQueen, speaking from 30 years experience, endorsed Mr. Frame's opinion regarding harmonious relations between school and municipal committees brought about by the introduction of the county system of government.

A. W. Morrison, deputy minister, lauded D. D. McQueen as "one of the best municipal secretary-treasurers in the province" and stated that much credit was due Mr. McQueen for the successful operation of the county system in this area.

Main speaker of the evening, the Hon. A. J. Hooke, traced the history of municipal governments up to the time of the passing of the

County Act. Fears of the teaching profession that education would take a back seat to municipal affairs and roads have proved to be not justified, with county councils showing just as much interest in schools as in roads.

Present for the occasion were members of the county council and of the various county committees, past members of the council; C. M. Lavery, superintendent of the Foothills School Division and A. L. Schrag, superintendent of the County of Vulcan schools; L. H. Weatherburn, secretary of the Vulcan Municipal Hospital District; M. R. Morrison, representing the Town of Vulcan, and other guests.

## Girl Guides Show Progress

(By Jean Harold)

On June 15 the First Vulcan Company Girl Guides will hold their last meeting for this year in the Vulcan Scout-Guide Hall at 4 p.m. All interested parents are cordially invited to attend.

One of the highlights of the meeting will be the enrollment of two recruits, Carolyn Haga and Karen Smith. These two girls joined the Guide Company in the latter part of May. Carolyn from Brownies and Karen as an interested recruit.

During the past year the Brownies Pack has lost ten of its members to the Guide Company and all are now enrolled Tenderfeet working for their Second Class. The addition of the new recruits brings the number of members for the Vulcan Company to 23, most of whom are Tenderfeet. There are no First Class Guides in Vulcan, but this is hoped to be remedied soon as a number of girls are working diligently towards this goal. The Company is divided into four patrols, Canary, Sunflower, Bluebird, and Rose, plus a Senior patrol who have as their emblem a sprig of holly.

The Guide Captain, Mrs. Russell Graham, willingly filled a position that appeared to be permanently vacated and carried the Company on. As a Guide and on behalf of the Guides I would like to express our sincere thanks to our Captain for the wonderful job she is doing and hope that she will remain with us for another year if her health permits.

The ten points of the Guide Law, which every Guide must learn, cover daily phases of life and

## Babe Ruthers Get First Win

Vulcan Babe Ruthers rolled to their initial victory of the season on Thursday, May 31 with a 15-8 win over Milo. Hughes pitching for Vulcan held the losers to two hits and one run in the first four innings while striking out 8. Collier finished the pitching chore for Vulcan while Kishka went the first five innings on the mound for Milo with Hutchinson finishing. Schumacher led the Vulcan hitting parade with a perfect five for five getting three singles and two doubles. Jamison and Scott each connected for triples. Bitter got two safeties for Milo.

Champion rolled to two wins during the week overpowering Milo 25-6 on Monday and winning 20-4 over Carmangay on Thursday. Against Milo, Leosack went the distance for the win giving up six hits; Rhodes led the hitting parade with three safeties. In the game against Carmangay L. Rhodes was the winning pitcher with E. Smith on the mound for the losers. Top hitter of the game was J. Schultz with three safe blows while Plourd and G. Stark each got two hits.

should be kept by the enrolled Guides. When a Guide joins a Company she makes a promise in which she promises "to do her best, to do her duty." This promise means exactly what it says. A Guide who makes this promise without due consideration to its meaning and the tremendous task she is shouldering and then immediately breaks it is a liability, not an asset, to any Guide Company. This promise is as solemn and full of meaning as any religious ceremony and should be made to be kept like any other vow. Our motto "Be Prepared" also states its meaning in those two words. In fact this motto could be considered as the foundation of the Guide Movement as a Guide has to be prepared for anything, anywhere.

Our Guide Company for years has been very small, but lately has expanded greatly. If our present membership increases we shall be forced to divide into two companies or close our ranks to new or interested members. But our sincere hope is that we shall always be able to welcome all comers to the great Sisterhood of Guides.

## Undermanned Elks Swamped

### Lethbridge Beats Vulcan In Two Sunday Games

Opening games in the Foothills-Wheatbelt baseball league saw Lethbridge swamp Vulcan Elks in both games of a double-header at Vulcan on Sunday and Granum White Sox win twice over Picture Butte Indians by similar one-sided scores. Both losing teams were playing without the services of their imports from Fresno College, although three of the American boys arrived in time to take the field in the closing innings of the second game at Vulcan.

The heavy-hitting Miners walloped Vulcan by a 19-2 score in the opener and took the second game 14 to 7. Five local pitchers shared mound duties in the opener, with none succeeding in stemming the rampaging Miners. They were Mike Jantzie, Ben Dann, Don Jantzie, Jim Pruden and Mike Hrabel. Import pitcher Len Cooper went all the way for the Miners, allowing six hits and getting 12 strikeouts. Don Jantzie's 330-foot homer in the fourth inning with Clayton Clarkson on base averted a shut-out for the Elks. Swede Robertson showed power at the dish by banging out two doubles and a single in three trips.

Another good crowd was on hand for the second contest at the Elks' new ball field to watch Roy Davis of the Miners' pitching staff hold Vulcan batters to eight safeties while his team was swatting 18 at the expense of starter Tim Ost and import Bill Davidson who arrived

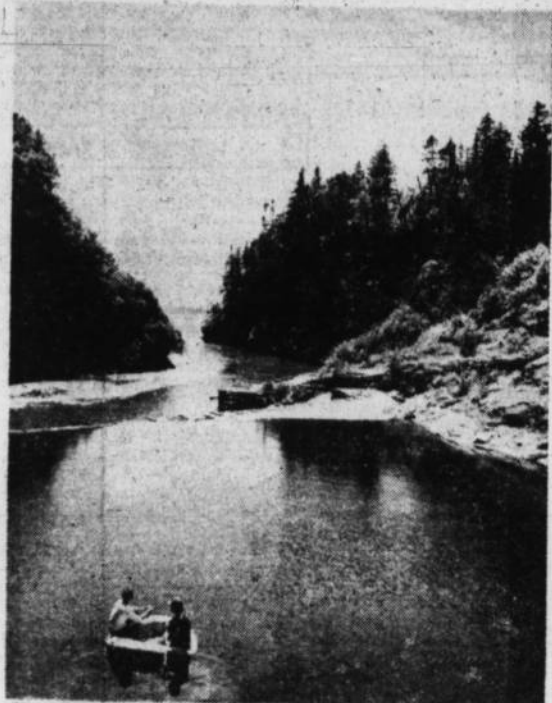

in time to take over in the fifth inning. In winning Davis struck out 10 and issued 5 free passes to first. Ost and Davidson each surrendered nine safe singles while Ost walked four and whiffed only one. Davidson struck out two and gave up one walk.

A third-inning error paved the way for four Vulcan runs when Brian Loucks gained first on a throwing error by shortstop Johnny Vaselek. Ost doubled and catcher Mord Burley tripped to start the merry-go-round. Jim Pruden was walked and then Clayton Clarkson was safe on the Miners' second error of the frame. Benny Dann singled and four runs were in. Davis settled down then and struck out Don Jantzie and brother Mike while getting Lorne Packham to fly out.

Clarkson and Don Jantzie again combined for two runs when Clarkson got on with a single in the ninth and Don again slammed out a four-bagger.

Vulcan was due to play at Picture Butte Wednesday of this week and next Sunday the Elks go to Granum for a double-header, with games at 2:30 and 5:30. Vulcan expects to be at full strength for the Granum contests.

The next game at the new Vulcan ball park will be on Wednesday, June 13, when the visiting team will be the Granum White Sox. The game will start at 6:30 p.m.

## Wind, Lightning Cause Damage

High, gusty winds Monday evening and all day Tuesday of this week are reported to have blown out some newly seeded crops in the Champion-Carmangay area as well as causing damage to windows, television, antennas and shingle roof.

When the storm struck early Monday evening it was accompanied by violent lightning and thunder, with the lightning causing considerable damage in at least two places. At Armada an oil storage shed, owned by UGG Co., was struck by lightning and burned to the ground. Loss was not heavy as the building was small and not new, and the only contents were two drums of oil and a few other small items. Luckily the grain elevator nearby was untouched. A fire there would have been extremely difficult to fight as Armada has no fire brigade, and firefighters Monday evening had only a bucket-brigade with which to extinguish the flames.

At the Alva Love home, some five miles north of town, lightning struck the TV antenna, and travelled down to the set in the family living room, causing very extensive damage to the television set. More serious loss was avoided by the prompt action of Mr. Love and the members of the family who decided to check the house further for any other possible result of the storm. On going to the basement they discovered a smouldering fire in the insulation in a wooden wall. This was, of course, quickly doused and no more damage experienced.

The high wind that accompanied the electric storm and continued all day Tuesday wrought havoc to other TV aerials over a large area. Trees, too, suffered greatly from the hurricane-like winds. Limbs were strewn over boulevards and yard all over town and in a few instances trees were broken right off. Gardens and newly set out plants were other casualties. Now everyone is wishing fervently for a good soaking rain, as, except for scattered showers throughout the district over the weekend, dry weather has prevailed for the past three weeks.

## Shower Honors June Bride

Prior to her wedding on Friday, Miss Darlene Hough was the guest of honor at a miscellaneous shower Tuesday evening in the parlors of the United Church. Mrs. John Hunter and Mrs. Ida Henry were joint hostesses, assisted by a number of other friends.

The bride-elect and her party were seated at a colorfully decorated table. Pink and white wedding bells and streamers, and a beautifully decorated bride's cake, flanked by tall pink tapers were used most effectively.

After a pleasant social evening a gaily decorated basket piled high with lovely gifts was brought in by Mrs. Dave Neville and Mrs. Ross McIntyre, with the latter making the presentation to Darlene. Mrs.

## Champion Keeps On Winning

In Little League action last week Brant rang the bell for their first win when they defeated Vulcan 9-8 in an extra inning game. Billy Schultz went five innings and D. Olsen finished to get the victory. Olsen also hit two for two getting two walks and scored the winning run. For Vulcan, D. Houlton took the loss but led the Vulcan hitters with three safeties.

Also on Tuesday, May 29, Champion won over Carmangay by a 10-3 score. This was a 1-0 ball game until the 4th inning when Champion erupted for seven big runs by banging out three home runs by Norm Green, Terry Rhodes and G. Schneider. Darrel Vaage was the winning hurler, the loss going to Dickie Minty who struck out 12 batters in five innings pitched. Ron Row got two hits and two runs for Carmangay.

Champion also defeated Vulcan by an 11-3 count on Friday. Gary Schneider was the winning pitcher while home runs were hit by Norm Green with two and Terry Rhodes with one.

McIntyre expressed the good wishes of all present for a long and happy married life.

As the bride began opening her many lovely parcels, assisted by her mother and grandmother, Mrs. L. Granlin, and Mrs. Hough respectively, and by Mrs. Schwartz, mother of the groom-elect, a shower of confetti drifted down on the guest of honor from a balloon suspended over her chair.

Darlene very suitably thanked all for the kind wishes extended to her and for the lovely gifts for her new home.

The hostesses assisted by a number of other friends, served a dainty lunch to conclude the evening's program.

## At Annual Inspection

### Smart Display Given By Vulcan Cadet Corps

Results of good training and discipline were evident on Wednesday afternoon of last week when Vulcan's Army Cadet Corps went through their paces before a good-sized crowd at the old ball park on the occasion of their annual inspection and march-past. Inspecting officers were unanimous in their praise of the Corps, which has grown in size from eight boys last fall to over 30 this spring.

Commanded by Cadet-Lieutenant Howard Gay, the Corps went through the various movements of the ceremonial march-past as if they had been doing it for years and their steadiness on parade and smart appearance drew the praise of the inspecting officer, Maj. R. C. R. Munro, CD, officer commanding "A" Coy., Calgary Highlanders, with which unit the Cadets are affiliated.

Other members of the inspecting party were Capt. Langley, Cadet Training Officer, Calgary; Lt. K. B. Wright, of "A" Coy.; H. W. Matlock, president of the Vulcan Branch Canadian Legion, sponsors of the Vulcan Cadet Corps; Bruce White, chairman of the Legion Cadet Committee; Col. P. J. Molyneux, RCMP; W. P. Noble of the Cadet Training Office, Calgary, and S/Sgt. Palfrey of Calgary, Cadet Instructor.

Instructors of the Vulcan Cadets, and responsible for the high standard of training achieved by the Corps in a few short months, are J. L. Moyer, Chief Instructor; John Hunter, assistant instructor, and S/Sgt. Len Hart of the Calgary Highlanders. Other Calgary Highlander instructors, including WO2 Scotty Sutherland, Sgt. Doug Wilson and Sgt. Joe Main, have lent their assistance at various times in training the Cadet Corps.

Following the inspection, demonstrations of Cadet instructional classes were given: Bren light machine gun by Sgt. David Saxby, Rifle by Cpl. Lloyd Taylor, Wire-ess by Lt. Gay and Sgt. Major Gary Banks, and Telephones by Cadet Gerald-Worger.

Cadets who had qualified in the DORA (Rifle Association) competitions were presented with crests by Major Munro. They were Brian Erickson, Ronald Miller, Howard Gay, Doug Scotney and David Saxby.

Canadian Legion trophies were presented to the most proficient cadets by H. W. Matlock, president of the sponsoring body, as follows: Most proficient third-year cadet, Gary Banks. Most proficient second-year cadet, William Lang. Most proficient first-year cadet, Earl Brinton. A trophy donated by Chief Instructor Moyer for best attendance was presented to Cecil Nickerson, who had never missed a parade.

## Chuckwagon and Horse Races Will Feature McGregor Sports

Chuck wagon races, featuring world champions and ex-champions, will again feature the sports day to be held at Lake McGregor Memorial Park on Saturday, June 16. The wagon races will start at 7 p.m. for a main prize of \$250 and a consolation race prize of \$100, the latter being sponsored by the B-A Oil Co.

Featured too, in this second annual event, will be an expanded program of horse races, ending with novelty races of a man against a horse and latest model cars against horses. Excellent cash prizes are offered in each of the 20 races.

In line with the "family day" type of program being offered will be a full program of foot races for the boys and girls, a midway on the grounds, comedy acts, baseball games and a dance at night in the Queenstown hall. It is also hoped to have the famous Calgary Highlanders Pipe Band in attendance.

The program, which has been arranged by Hank Willard, Commodore Allen, and Jimmy Prentice, starts at 11 a.m. with the grand entry. Commodore Allen will be announcer of events and starters will be Jim Dew and Ole Willard. Sponsoring the sports day is the Lake McGregor Memorial Park Association, of which Tom Beckner is president and M. P. Schaub secretary.

## Lions Support Blood Clinic

At the regular meeting of the Vulcan Lions Club held Monday, June 4, a letter was read from the secretary of the Vulcan Branch of the Red Cross Society asking for the support of the Lions Club at the Blood Donors Clinic to be held in Vulcan, Tuesday, June 19. The members of the Lions Club realize to the fullest extent the importance of such blood clinics and will support it wholeheartedly.

To create greater interest in such a project a competition was arranged among the members whereby two teams captained by Art Jones, a town Lion member, and Earl Erickson, a rural Lion member, will try to bring out as many donors as possible to the clinic. Rule and regulations governing this competition will be worked out by the two captains. The losing team will pay for the dinners of the winners at the next Lions meeting.

The Lions Club, in support of its local Red Cross Branch, wishes to urge everyone to attend the Blood Donor Clinic on Tuesday, June 19.

## Robt. Richardson Dies At Nanton

Robert Henry Richardson of Nanton, well known to many Vulcan and district residents, died at Nanton on Thursday, May 31, following a long illness. He was 73 years of age.

Born at Carlyle, Cumberland, England, in 1882, he came to the Parkland district in 1908, homesteading on what is now part of the Henry Pearce land, south of the airport. He married Mary Wannop in 1910 and in 1912 moved to Saskatchewan, farming at Alaskas until 1938. In that year he returned to Alberta and was active in the garage business at Nanton from 1938 until 1948, when he retired.

Surviving are his wife, at Nanton; three sons, William H., Vulcan, J. Lawrence, Lethbridge; George H., Vulcan; four daughters, Mrs. Elsie Sharpe, Munson; Mrs. Evelyn Deering, Medicine Hat; Mrs. Marie Spooner, Victoria, B.C.; Mrs. Irene Moore, Calgary; one sister, Mrs. Mary Forster, in England; and 18 grandchildren. One son, John Robert, died in 1930.

Funeral services were held at the Nanton United Church on Monday, June 4, conducted by Rev. Dwight Powell, who was assisted by Rev. John Clarke of Vulcan. Burial was made in the Nanton cemetery.

## Injured In Riding Accident

Rex Caldwell, who farms between Vulcan and Champion, sustained a broken pelvis and painful bruises when a horse he was riding Sunday, stumbled, throwing him to the ground and then falling on him.

Mr. Caldwell had been riding among his cattle when his horse stepped into a hole. Suddenly realizing he would be unable to avoid falling, the rider quickly freed his feet of the stirrups, but struck the ground very forcibly. The falling horse then landed on him, but quickly recovered itself and got to its feet. Then, faithful animal that it was, it stood staunchly by the owner until help arrived.

Meantime, Leslie, the 8-year-old son of Mr. and Mrs. Caldwell, noticed the riderless horse in the distance and called to his mother. Mrs. Caldwell and Leslie succeeded in getting the injured man into the family car and rushed him to the Vulcan hospital, where he is now a patient.

CHAPMAN—In loving memory of our dear husband and father, Thomas Chapman who passed away, June 6, 1955.

"A light is from our household gone,  
A voice we loved is stilled,  
A place is vacant in our home  
Which never can be filled.  
Some may think you are forgotten,  
Though on earth you are no more  
But in memory you are with us,  
As you always were before."

### Reptilian DOG-TAGS

We are often amazed how aluminum gets around to unusual places. Who would think of looking for aluminum in the stomach of a Zululand crocodile!

It seems when this croc was emptied, no less than 32 aluminum dog licenses were found in its stomach, which suggests that Zulu dogs are mighty careless. But it proves that aluminum is immune even to the formidable digestive juices in this reptile's insides.

Industry capitalizes on this resistant quality of aluminum when industrial fumes and other corrosive conditions present a problem: one of several reasons why this modern metal is in such heavy demand—and why Alcan is again increasing its already large smelting capacity.

### Graduation Banquet

Nine graduates of the Champion High School were seated at the head table on Friday, June 1, when the Home and School Association catered to another Graduation Banquet. Four young girls in pastel formal and five smartly groomed boys formed the 1956

graduating class. They are: Marlene Yackulic, Jean Befus, June Hames, Frances Versluis, James Anderson, Alfred Hartung, Terry Keenan and Arlen Smith.

Covers were laid at the tables in the Auditorium. The room was beautifully decorated in blue and pink streamers with the school

colors predominant on the place cards. Bouquets of spring flowers were on the tables to enhance the feeling of good fellowship and best wishes to the graduates as Rev. Leslie Fair of the Evangelical Free Church offered the invocation after the singing of O Canada.

After the banquet, Bruce Alders, as toastmaster, introduced the first graduate, James Anderson, who proposed the toast to the Queen. Martin Matlock made the response to the toast to the town given by Marlene Yackulic. Mr. Matlock outlined the progress Champion has made in the past few years and the expectations for the future to come. Mrs. E. D. Nowlin, president of the Home and School Association responded to the toast to that Organization by Arlen Smith. A touch of humor was introduced here when the pupils of the Grade XI class presented a skit. Alfred Hartung proposed the toast to the County of Vulcan, expressing the appreciation for the fine school and playground equipment. J. E. Carlson, chairman of the School Committee responded, expressing his pleasure at seeing the boys in the graduating class were in the majority at last, and wishing all the graduates the best of luck.

Mrs. Pearl Zetman on behalf of the teachers, thanked Terry Keenan for the compliments in his toast to the teachers. She also spoke on the immense satisfaction a teacher derives from teaching young people. June Hames proposed the toast to the parents, and C. J. Versluis responded. Norman Berger, a graduate of the 1955 class, proposed a toast to the graduates of this year's class and Spencer Nichols responded.

Sidney Lindstedt, a professor of the U. of A. (Calgary Branch) and a former teacher and principal at Champion High School, was the guest speaker. Mr. Lindstedt's opening words expressed his appreciation of the opportunity to return to Champion on an occasion such as this. He told of when he first came to Champion, 14 years ago, as a teacher when R. I. Baker was principal and he, Mr. Lindstedt, taught a Grade 9 class of 14 pupils. Some of the names he mentioned were Jimmie Brown, Dick Depue,

Eva Latiff, Hilda Gettel and Rene Rinaldi. He then spoke words of encouragement to the graduating class, and likened their ideals to the stars, saying although they would reach for them they couldn't quite touch them, but like the seafaring men the stars and the ideals could be a guiding line.

The charming Valedictorian, Frances Versluis, spoke briefly of the years spent at Champion school and the wonderful foundation these years had provided for the years ahead, in whatever occupation the graduates had chosen.

Mrs. A. L. Siler presented the corsages and boutonnières to the graduating class with sincere good wishes for their futures. Jean Befus will attend U. of A. to study for her teacher's diploma; Marlene Yackulic will enroll in a Secretarial School in September; Frances Versluis will study for her B.Ed. degree this coming term; June Hames will begin nurse's training; James Anderson will enroll at the U. of A. this fall in the engineering class, as will Terry Keenan and Spencer Nichols; Alfred Hartung has been offered a position in a Calgary bank and Arlen Smith will assist his mother, Mrs. Morgan Smith, with the management of their large farm.

S. T. Nichols gave the closing words, and expressed his pleasure and satisfaction in working with this graduating class.

The dance which followed the banquet was very well attended and the music was supplied by the orchestra from St. Joseph's School in Lethbridge.

The banquet was catered to by the Home & School Association under the convenship of Mrs. R. Schultz with the assistance of a committee. This is the second year Mrs. Schultz has convened the banquet and it is very much to her credit that she volunteered to do this.

The final score in the Eastern Zone of the Foothills League game played at Champion on Sunday, June 3 was 6-1 for Champion. Vauxhall was the opposing team. Champion's battery: Wayne Harter to A. Buchan. Vauxhall's: Murray and Degenstein to Domoleski. Mr. and Mrs. A. E. Howerton

Construction of the new home of Mr. and Mrs. Phillip Fath has begun on the corner lot directly west of the Roman Catholic Church.

Pastors, delegates and visitors were present from many parts of Alberta and Saskatchewan to fellowship together and take part in the business and devotional sessions throughout the day. The evenings were climaxed by services in which Evangelist Dalzell of "Thief River Falls, Minn., and Rev. Gilchrist of Yakima, Wash., were the main speakers. Good music was provided at all services. Sunday, the church was filled to capacity for the closing services of the conference, with an aggregate attendance for the day of about 400. Tune — Springtime in the Rockies  
God's love is like the sunshine,  
It covers land and sea  
It fills my heart with gladness  
When I know that God loves me.  
He proved His love by giving,  
His well beloved Son,  
On the cross He died to save me  
And redemption's work is done.
